**The Houston SharePoint User Group (HSPUG) is proud to present the first ever SharePoint Saturday—Houston!**

SharePoint Saturday is a fun, informative and lively day of sessions on a wide variety of SharePoint topics from respected professionals and Microsoft MVPs. SharePoint Saturday is FREE and open to the public, so whether you are an IT professional, SharePoint consultant, business end user, manager or enthusiast, this is your local chance to immerse yourself in knowledge and inspiration about the coolest business platform around!
